

May 15, 2009

On Friday, May 15, 2009, Mary Sakry (SEI Authorized Lead Appraiser, ID# 0300289-01) of The Process Group, Dallas TX, completed an appraisal of the Sierra Nevada Corporation (SNC) - Communication, Navigation, Surveillance (CNS) Business Area (Sparks NV, Salt Lake City UT, and Irvine CA) system engineering and software engineering product development process capability using the SCAMPISM A method version 1.2. This appraisal was conducted using the Software Engineering Institute's CMMI[®] for Development, Version 1.2 with the IPPD Addition (CMMI-DEV+IPPD, V1.2 (Staged)).

For this event, the sponsor was Greg Cox, Executive Vice President, CNS Business Area. The appraisal team was composed of John Latimore, Steven Garner, Rob Harker, Terri Johnston, Dave Blair and Randy Booth, all SEI CMMI trained Sierra Nevada Corporation employees.

Sierra Nevada Corporation - CNS Business Area was found to satisfy all CMMI Maturity Level 3 requirements.

Mary Sakry
